About us...

Alex Brick & Stone and Lake Country Fireplace offer the largest fireplace, masonry & landscape showrooms in central and west central Minnesota. The showrooms are designed to help customers visualize all the possibilities available to them before and during their building & remodeling projects including indoor and outdoor fireplaces, pavers and retaining walls, natural stone walkways and so much more. If you're looking for inspiration, a visit to either showroom is a must.

Along with beautiful displays, you will find friendly, experienced staff that knows the latest trends in the industry. They share their knowledge to help customers choose the perfect fireplace, brick or stone for their home. They also work closely with local contractors, and help partner customers with the best team for their project.

Alex Brick & Stone was established in 1998 by Wayne Jenzen, a 2nd generation mason contractor, and his wife, Nancy, in Alexandria MN. In 2008 their 2nd location, Lake Country Fireplace & Exteriors opened in Willmar, MN. After 17 years of working alongside his father, in 2014 Wayne's son, Neil Jenzen took over and in 2015 Joel Peterson joined in ownership, bringing even more masonry & landscape experience, along with extensive knowledge in geosynthetics & erosion control.

Today the Alexandria and Willmar locations employ over 21 people, work with many local business and contractors and have built a reputation of knowledge, skill and exceptional service to every single customer who walks through their doors.
